CHILDREN'S SUNDAY SCHOOL RALLY DAY

SEPTEMBER 9, 2018 at
10:05 a.m.

For the entire month of August our gospel readings on Sunday mornings from the lectionary have been from the sixth chapter of John’s Gospel where “bread” has been a central image and Jesus’ claim to be the “bread of life” (*John 6:35*). Going back to the last Sunday in July where Jesus fed the 5,000 with five loaves and two fish Jesus in his conversations and teachings throughout the entire sixth chapter of John is making the connection between the physical life and the spiritual life. For the physical life we must have “bread” (food) to sustain our bodies and for our spiritual life we also need food (and drink). Jesus is that “bread of life” that leads us to and gives us life culminating life everlasting – eternal life.

For the people of Jesus’ day this was a hard concept to get one’s head and heart around, even for Jesus’ disciples and those who were following him. Understanding and believing that Jesus could be God’s chosen Messiah and that somehow they would “eat his flesh and drink his blood” and have life was tremendous stretch if not offensive. What kind of talk is this!

Today as believers and followers of Jesus as the resurrected Christ this understanding of Jesus as the “bread of life” is still hard to comprehend. Maybe this is why John devoted an entire chapter of his gospel to this message and the “powers to be” who designed the current lectionary that we use in the Lutheran church for the scripture readings during worship devoted so many Sundays to this message of Jesus that he is the “living bread from heaven.”

As we eat our fill of “bread” at our meals and at the table (altar) of the Lord, we are reminded and renewed in life physically and spiritually of this reality. Our bodies need food and water for life physically and we need food and drink for our souls and spiritual life. God through creation and in the Son, Christ Jesus gives us both. We live trusting in God and in relationship with God and this world with all that it provides for life physically. We live trusting and in relationship with God of the salvation and promised gift of life eternal that God has given us through Jesus Christ, the Messiah.

In worship and in Holy Communion we are to be renewed in our relationship with God and in the belief of the mystery of faith that:

“Christ has died, Christ is risen, Christ will come again!”

Food Pantry News

During July 2018 we served the following numbers of people in the food pantry:

<u>MONTH</u>	<u># PERSONS</u>	<u># HOUSEHOLDS</u>
JULY	4,185	1,124

We distributed 38,318 lbs of food during the month, and we spent \$349.02 on food. Our average cost per pound of food was less than one cent. So far in 2018 we have served 15,560 households, consisting of 28,707 people. Also, we have distributed 281,998 pounds of food, at a cost of \$13,221.37, an average of just over one cent per pound.

We are now receiving food deliveries/pickups every day of the week. All of this food has to be carried into the food pantry, weighed, and stored properly. In addition, many of the boxes are full of mixed product that must be sorted before we can put it on the shelf.

Some folks have stepped up to make the required runs to pick up food each week, but these same people are also working in the food pantry two or three days a week. It would be nice if some others could step up and relieve these very busy people of this requirement. Please pray about this and ask yourself if you can spare a couple of hours each week to support this important ministry of Trinity Lutheran Church and Avondale United Methodist Church.

Thank you for the donations of paper and plastic bags. We continue to have to purchase paper & plastic bags. Your donations of paper and plastic bags will help us by lessening the number of bags we will have to purchase. The store from which we have been purchasing the paper bags no longer carries the bags we need, so I have been forced to look at other providers. The bags are available but at a much larger price.

We appreciate any food donations, but we can stretch a dollar a lot farther than you can by buying food from a supermarket. By partnering with Feeding Northeast Florida Food Bank, and Waste Not Want Not, we are able to get approximately \$100.00 worth of food for every \$1.00 donated. The donations to the food pantry have fallen off of late, and we are having a difficult time paying for the amount of food we need. We need around \$1,500 each month to pay for the food we receive from Feeding Northeast Florida. If you can help, please do.

In addition to your financial support a total of 1,185 man-hours were donated to the food pantry in July. Each volunteer hour has a value of \$18.85 on each volunteer hour performed; so the 6,383 volunteer hours donated so far in 2018 is equal to a donation of \$120,319.55!

God continues to provide everything needed to run his food pantry, but we need more funding and manpower help. Because of the layout of the food pantry we cannot just move a pallet of food from the parking lot into the pantry. Each box or case must be hand carried inside and then sorted out and stored. We do use hand trucks, but it is still very labor intensive. Please pray about this and if you can spare only a few hours per week, we can use your help.

Thank you and God bless all who help the food pantry in any way.

LOVE OFFERING -
September 2018

September's "Love Offering" will be received on September 2nd and will go towards the Prisoners of Christ (POC). "Prisoners of Christ exists to give every man his very best opportunity at a true second chance." POC provides guidance, direction and spiritual support, while helping men (and women) find employment with help from Jax Journey. They learn financial responsibility and independent living skills. Safe Passage Community Fellowship provides a congregation for ex-offenders, their families, and all others who aren't sure where they fit in the Body of Christ. Our offerings will help further the growth and expansion of services to those making their re-entry to our community. To learn more, visit www.pocministry.org.

Trinity Lutheran Church,

Thank you for standing with us to help homeless people and families. Your \$226.00 gift to the Sulzbacher on 8/1/2018 is tremendously appreciated. We are grateful you are part of our family of wonderful supporters.

Because of your compassionate support, Sulzbacher is able to provide, nutritious meals, safe shelter, quality healthcare and other uplifting assistance to over 350 homeless men, women and children who call Sulzbacher "home" each night and provide medical outreach to hundreds of others living on the streets.

Meeting these great needs poses certain financial challenges, however, thanks to donors like you, we are able to overcome our most urgent ones, pressing ahead to provide dignity to those who need it most and opportunities and housing for folks on their journey to self-sufficiency.

There is always more work to be done and people to help. Thank you again for partnering with us in our work to end homelessness in our community, one person at a time. We could not do it without you.

Sincerely,
Cindy Funkhouser, MSW

Prospective Donors: 7

When you consider that one blood donation can save up to three lives it is easy to see how donating blood can make a significant difference in someone's life. One never knows when the life that is saved may be a member of your own family, a friend or a co-worker.

Sincerely,
The Jacksonville Mobile Team
